Here is NWEA's letter initiating informal dispute resolution. It was just brought to my attention that this was not distributed to the larger group.

Subject: CZARA settlement

Hi Kris and Jennifer—

Please see the attached letter, which commences a 30-day informal dispute resolution period as per the settlement agreement in Northwest Environmental Advocates v. Locke, et al., Civil No. 09-0017-PK (District of Oregon). After the discussions earlier this week Northwest Environmental Advocates is hopeful the settling parties can resolve their dispute. We look forward to continuing those discussions on May 14, and hope to speak with you before then so we can make the best use of our time during that meeting.

Thank you. And please feel free to call or email with any questions or concerns.

P
